

Special Safari for 2 **wilderness husky adventure** 4 to 6 days / 3 to 5 nights / 2 to 4 days on safari

Enjoy the atmospheric arctic winter together – just the 2 of you (plus your guide). Enjoy the cosy atmosphere and kind staff of your hotel and then after a short transfer learn how to drive your own husky team from the guides remote cabin. Your base in the wilderness is a simple log cabin located by the lakeshore, with no close neighbours, except for some friendly huskies. The peacefulness of nature shared with only you, the dogs and your guides. This tour takes you through beautiful taiga trails with only the sound of the dogs panting and their paws hitting the snow.

Spend 1 nights at the kennels cabin with your own room, warming up the sauna, taking care of the dogs and enjoying dinners, homemade and locally sourced. A winters evening only for you two together with the guide(s) and the dogs.

Day 1:

Arrive at Kajaani airport, transfer to your hotel - approximately 90 minutes. Dinner in the restaurant, overnight accommodation in double room or suite (shown above). Or transfer directly to wilderness cabin for your evening meal - if that is your chosen option.

Day 2:

If at the hotel, after breakfast you can take all your luggage to meet your guide who will transfer you to the wilderness cabin where your team of lovely huskies live.

After being kitted out with special warm clothes outer clothes and meeting your friendly huskies you will be given instruction on how to drive the sled. Your trip starts right by the cabin. Your guide leads; you follow him either driving a sled each, if you wish, or sharing a sled, one sitting in the sled, the other one "driving". Of course, even if you wish to share the first day you can always drive a sled each on the second day.

During your tour you will stop for a break and enjoy a hot drink and sandwich snack. Later in the afternoon when you arrive back at the wilderness cabin and after

taking care of the dogs you will have time for a late lunch/tea and then enjoy a leisurely warming sauna down by the lake side with a cool beer or cider - looking for stars and aurora - before having dinner together in the cabin.

Day 3:

After breakfast as it is only you two with the guides and the dogs, there is no need to worry about strict timetables. The schedule will be done according to your own wishes. When you feel so, it is time to head out for another day with the lovely huskies.

These 'private' trails are only prepared with snowshoes and the dogs. It may not be as solid and fast as the ones near Kuhmo, but you will get a chance to experience what dog sledding has traditionally been, before the time of snowmobiles. And what's the best, the dogs enjoy this challenge too! On these trails you are unlikely to see snowmobiles or XC skiers. You have the wilderness to yourselves.

A short lunch stop will be enjoyed in the forest. In the afternoon (if you are not staying at the cabin for the whole tour) after your late lunch – you say goodbye to the huskies – before your transfer to the hotel. Evening sauna. Dinner at hotel.
